**Friday, February 17th &  
Sunday, February 19th**

## **Friday - 6:00-9:00 P.M. - Dance Class for Ages 7+ (Beaumont Studio)**

We have two teams of Ashland's instructors that have each choreographed a routine, but we need dancers for our teams! Those that register for the class will be joining forces with other dancers and staff members to compete for this year's Ashland's Cup! One team will need to wear something blue and the other orange. Teams will not be selected until Friday night, so please set aside anything you may have with that color so you are ready to dress with your team for the competition that will take place Sunday! :)

Those participating in the workshop will be able to get into the Sunday event **FREE** of charge!

The participants need to wear something comfortable for the workshop and bring dance shoes if they have them-Bare feet if not.

The cost to participate is a \$25 donation per dancer.

## **Sunday - 2:00-5:00 P.M. - Ashland's Cup Festivities/"Buckner's Backyard BBQ" (Buckner Children's Village 9055 Manion Dr-Bmt, TX 77706)**

Dust off your cowboy hat or transform into your favorite Disney character! This year's Ashland's Cup is going to be a rootin' tootin' event with a few of our Disney friends! In addition to the performances, there will also be silent auction and activities for all ages! The attire is extremely casual- If you choose not to dress up, we encourage you to wear your favorite Ashland's, Buckner or Arc shirt, or even an Ashland's Cup shirt with your favorite boots and jeans! We are even having a contest for the most creatively theme-dressed guests!!!

Contest winners get to throw a pie in the faces of the staff members who receive the most donations!!!

Admission: \$10 donation for adults & \$5 donation for students high school age and younger

\*NO outside food or drink. We will be selling dinners and a la carte items as part of the benefit.\*
