

# Ashland's CUP 2015

Benefitting the Ashland's scholarship fund,  
Buckner Children & Family Services & the Arc of Greater Beaumont

**Friday, November 13th &  
Saturday, November 14th**

## **Friday--6:00-9:00 P.M. Dance Class for Ages 7+ (Beaumont Studio)**

We have two teams of Ashland's instructors that have each choreographed a routine, but we need dancers for our teams! Those that register for the class will be joining forces with other dancers and staff members to compete for this year's Ashland's Cup! One team will need to wear something blue and the other orange. Teams will not be selected until Friday night, so please set aside anything you may have with that color so you are ready to dress with your team for the competition the next day! :)

Those participating in the workshop will be able to get into the Saturday event **FREE** of charge!

The participants need to wear something comfortable for the workshop and bring dance shoes if they have them-Bare feet if not.

The cost to participate is a \$25 donation per dancer.

## **Saturday-5:00-8:00 P.M. Ashland's Cup Festivities/"BREAKFAST AT BUCKNER'S" (Buckner Children's Village on Manion)**

Breakfast food for dinner! In addition to the performances, there will also be silent and live auction and activities for younger children! The attire is extremely casual- We encourage you to wear your favorite Ashland's, Buckner or Arc shirt, or even a new Ashland's Cup shirt with your favorite pajama pants and slippers! We are even having a contest to see who has the best "bed head" hair and coolest slippers!!!

Contest winners get to throw a pie in the faces of the staff members who receive the most donations!!!

Admission: \$10 donation for adults & \$5 donation for students high school age and younger

\*NO outside food or drink. We will be selling a la carte items as part of the benefit.\*
